Mr. Mark Schleipfer  
Mitek Corporation  
4545 East Baseline Rd.  
Phoenix, AZ 85042

Dear Mark,

Thanks again for your generous hospitality during our visit to CES. We were very proud to tell people where out "project Hummer" was being displayed. You and your team exude an energy level that makes even a trade show enjoyable.

We really are happy be associated with Mitek, and look forward to any potential joint-projects in the future.

Travel Safe!

A handwritten signature in black ink, appearing to read "Jhan R. Dolphin".
